52.212-4 Terms and Conditions-Commercial Products and Commercial Services. (Deviation) (Feb 2026)

TERMS AND CONDITIONS-COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES (FEB 2026) (DEVIATION)

(a) *Definitions.* The clause at Federal Acquisition Regulation (FAR) 52.202-1, Definitions, is incorporated by reference.

(b) *Inspection/Acceptance.* The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. If repair/replacement or reperformance will not correct the defects or is not possible, the Government may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services. The Government must exercise its post acceptance rights-

(1) Within a reasonable time after the defect was discovered or should have been discovered; and

(2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(c) *Assignment.* The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C. 3727). However, when a third party makes payment (*e.g.*, use of the Governmentwide commercial purchase card), the Contractor may not assign its rights to receive payment under this contract.

(d) *Changes.* Changes in the terms and conditions of this contract may be made only by written agreement of the parties.

(e) *Disputes.* This contract is subject to 41 U.S.C. chapter 71, Contract Disputes. Failure of the parties to this contract to reach agreement on any request for equitable adjustment, claim, appeal, or action arising under or relating to this contract shall be a dispute to be resolved in accordance with the clause FAR 52.233-1, Disputes, which is incorporated in this contract by reference. The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.

(f) *Excusable delays.* The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence. Examples of occurrences include acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. When an excusable delay occurs, the Contractor shall-

(1) Notify the Contracting Officer in writing as soon as possible;

(2) Remedy the delay as quickly as possible; and

(3) Notify the Contracting Officer when the occurrence is over.

(g) *Invoice.* The Government will handle invoices according to the Prompt Payment Act (31 U.S.C. 3903) and 5 CFR part 1315. The Contractor shall submit invoices to the address designated in the contract to receive invoices. An invoice must include the information required by 5 CFR part 1315.9(b).

(h) *Patent indemnity.* The Contractor shall indemnify the Government and its officers, employees, and agents against liability, including costs, for actual or alleged direct or contributory infringement of, or inducement to infringe, any United States or foreign patent, trademark, or copyright, arising out of the performance of this contract, provided the Contractor is reasonably notified of such claims and proceedings.

(i) *Payment-*

(1) *Items accepted.* Payment shall be made for items accepted by the Government that have been delivered to the delivery destinations set forth in this contract.

(2) *Prompt payment.* The Government will make payment in accordance with the Prompt Payment Act (31 U.S.C. 3903) and prompt payment regulations at 5 CFR part 1315.

(3) *Discount.* In connection with any discount offered for early payment, time shall be computed from the date of the invoice. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or the specified payment date if an electronic funds transfer payment is made.

(4) *Overpayments.* If the Contractor becomes aware of a duplicate contract financing or invoice payment or that the Government has otherwise overpaid on a contract financing or invoice payment, the Contractor shall-

(i) Remit the overpayment amount to the payment office cited in the contract along with a description of the overpayment including the-

(A) Circumstances of the overpayment (*e.g.*, duplicate payment, erroneous payment, liquidation errors, date(s) of overpayment);

(B) Affected contract number and delivery order number, if applicable;

(C) Affected line item or subline item, if applicable;

(D) Contractor point of contact; and

(ii) Provide a copy of the remittance and supporting documentation to the Contracting Officer.

(5) *Interest.*

(i) All amounts that become payable by the Contractor to the Government under this contract shall bear simple interest from the date due until paid unless paid within 30 days of becoming due. The interest rate shall be the interest rate established by the Secretary of the Treasury as provided in 41 U.S.C. 7109, which is applicable to the period in which the amount becomes due, as provided in (i)(6)(v) of this clause, and then at the rate applicable for each six-month period as fixed by the Secretary until the amount is paid.

(ii) The Government may issue a demand for payment to the Contractor upon finding a debt is due under the contract.

(iii) *Final decisions.* The Contracting Officer will issue a final decision as required by FAR part 33 if-

(A) The Contracting Officer and the Contractor are unable to reach agreement on the existence or amount of a debt within 30 days;

(B) The Contractor fails to liquidate a debt previously demanded by the Contracting Officer within the timeline specified in the demand for payment unless the amounts were not repaid because the Contractor has requested an installment payment agreement; or

(C) The Contractor requests a deferment of collection on a debt previously demanded by the Contracting Officer (see FAR part 32).

(iv) If a demand for payment was previously issued for the debt, the demand for payment included in the final decision shall identify the same due date as the original demand for payment.

(v) Amounts shall be due at the earliest of the following dates:

(A) The date fixed under this contract.

(B) The date of the first written demand for payment, including any demand for payment resulting from a termination for cause.

(vi) The interest charge shall be computed for the actual number of calendar days involved beginning on the due date and ending on-

(A) The date on which the designated office receives payment from the Contractor;

(B) The date of issuance of a Government check to the Contractor from which an amount otherwise payable has been withheld as a credit against the contract debt; or

(C) The date on which an amount withheld and applied to the contract debt would otherwise have become payable to the Contractor.

(vii) The interest charge made under this clause may be reduced under the procedures for interest credits prescribed in FAR part 32 in effect on the date of this contract.

(j) *Risk of loss.* Unless the contract specifically provides otherwise, risk of loss or damage to the supplies provided under this contract shall remain with the Contractor until, and shall pass to the Government upon-

- (1) Delivery of the supplies to a carrier, if transportation is f.o.b. origin; or
- (2) Delivery of the supplies to the Government at the destination specified in the contract, if transportation is f.o.b. destination.

(k) *Taxes.* The contract price includes all applicable Federal, State, and local taxes and duties.

(l) *Termination for the Government's convenience.* The Government reserves the right to terminate this contract, or any part hereof, for its sole convenience. In the event of such termination, the Contractor shall immediately stop all work and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this contract, the Contractor shall be paid a percentage of the contract price reflecting the percentage of the work performed prior to the notice of termination, plus reasonable charges the Contractor can demonstrate to the satisfaction of the Government using its standard record keeping system, have resulted from the termination. The Contractor shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the Government any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred which reasonably could have been avoided.

(m) *Termination for cause.* The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon request, with adequate assurances of future performance. The Government will send a cure notice to the Contractor, unless the reason for the termination is late delivery. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(n) *Title.* Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the Government upon acceptance, regardless of when or where the Government takes physical possession.

(o) *Warranty.* The Contractor warrants and implies that the items delivered under this contract are merchantable and fit for use for the particular purpose described in this contract.

(p) *Limitation of liability.* Except as otherwise provided by an express warranty, the Contractor will not be liable to the Government for consequential damages resulting from any defect or deficiencies in accepted items.

(q) *Compliance with laws unique to Government contracts.* The Contractor agrees to comply with 31 U.S.C. 1352 relating to limitations on the use of appropriated funds to influence certain Federal contracts; 40 U.S.C. chapter 37, Contract Work Hours and Safety Standards; 41 U.S.C. chapter 87, Kickbacks; 49 U.S.C. 40118, Government-financed air transportation; and 41 U.S.C. chapter 21 relating to procurement integrity.

(r) *Order of precedence.* Any inconsistencies in this solicitation or contract shall be resolved by giving precedence in the following order:

- (1) The schedule of supplies/services;
- (2) The Disputes, Payments, Invoice, Compliance with Laws Unique to Government Contracts, and Unauthorized Obligations paragraphs of this clause;
- (3) Other contract clauses incorporated in the solicitation or contract;
- (4) Addenda to this solicitation or contract;
- (5) Solicitation provisions incorporated in the solicitation;
- (6) Other paragraphs of this clause;
- (7) Other documents, exhibits, and attachments; and
- (8) The specification.

(s) *Unauthorized obligations.*

(1) Except as stated in paragraph (s)(2) of this clause, when any supply or service acquired under this contract is subject to any End User License Agreement (EULA), Terms of Service (TOS), or similar legal instrument or agreement, that includes any clause requiring the Government to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:

(i) Any such clause is unenforceable against the Government.

(ii) Neither the Government nor any Government-authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an "I agree" click box or other comparable mechanism (e.g., "click-wrap" or "browse-wrap" agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iii) Any such clause is deemed to be stricken from the EULA, TOS, or similar legal instrument or agreement.

(2) Paragraph (s)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(t) *Comptroller General examination of record.* This paragraph applies if this contract was awarded using other than sealed bid procedures and is in excess of the simplified acquisition threshold on the date of award of this contract.

(1) The Comptroller General of the United States, or an authorized representative of the Comptroller General, shall have access to and right to examine any of the Contractor's directly pertinent records involving transactions related to this contract.

(2) The Contractor shall make available at its offices, at all reasonable times, the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in FAR part 4, longer period required by statute, or periods specified in other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This clause does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(u) *Incorporation by reference.* The Contractor's representations and certifications, including those completed electronically via the System for Award Management (SAM), are incorporated by reference into the contract.

(End of clause)

WIDE AREA WORKFLOW INVOICING INSTRUCTIONS

The invoicing instructions will assist contractors and vendors with preparing payment documentation and avoiding billing errors that could result in payment delays. Following the information provided in this section will increase the accuracy and timeliness of vendor payments.

(a) Wide Area Workflow (WAWF) training. The contractor/vendor shall follow the training instructions of the WAWF "Web-Based Training" section, and use the "PIEE Training Site" prior to submitting payment requests through WAWF. Both can be accessed by selecting the "Web Based Training" link via the WAWF home page at <https://piee.eb.mil/>. The contractor/vendor may contact the WAWF Help Desk at 866-618-5988 for assistance if needed.

(b) Vendor Commercial and Government Entity (CAGE) Code. The contractor/vendor shall ensure there is an active registration with System for Award Management (SAM), and shall enter the CAGE Code information located on the first page of the contract. The contractor/vendor name and address on the contract must match the information in WAWF.

(1) There is no fee to register, or maintain vendor registration, in SAM. If an email is received from a company claiming to represent SAM.gov, be cautious. If an email is received from a company offering to help vendor registration in SAM.gov, asking to contact them and pay them money, be cautious. These messages are not from the U.S. Government. It is free to register and to maintain vendor registration in SAM.gov.

(2) The contractor/vendor may contact the System for Award Management (SAM) Help Desk at www.fsd.gov for assistance or review the SAM website at www.sam.gov for further information.

(c) Contract number. The contractor/vendor shall ensure the "Contract Number" and "Delivery Order" in WAWF match the Contract Number and Order/Call Number (if applicable) in the contract. Do not use the Bid or Solicitation number.

(d) Document type. The contractor/vendor shall enter the document type (i.e., COMBO, 2-IN-1, Cost Voucher, etc.) provided in the "252.232-7006 WIDE AREA WORKFLOW PAYMENT INSTRUCTIONS" section of the contract. Contact your Contract Administrator if you are unable to locate this information. Do not select "Invoice" or "FAST PAY" unless specified within the terms of the contract.

(e) Document routing. The contractor/vendor shall use the information in the WAWF "Routing Data Table" section of the contract to fill in applicable fields in WAWF when creating payment requests and receiving reports in the system. Contact your Contract Administrator if you are unable to locate this information.

(1) Pay Official DoDAAC. This DoDAAC will be pre-populated in WAWF from the Electronic Data Access (EDA) system if the contract number exists in the EDA system.

(2) Service Acceptor and LPO DoDAAC. These DoDAACs ensure the invoice is routed to the correct Command for payment.

(f) Final invoice. The contractor/vendor shall identify if the invoice is a final invoice. Do not mark "Y" for "Yes" if additional invoices will be submitted for the contract.

(g) Period of Performance (POP). The contractor/vendor shall enter the "Period of Performance From Date" and "Period of Performance To Date" information in WAWF for the date range the services were completed. These dates shall not fall outside of the POP specified in the terms of the contract.

(1) The contractor/vendor may specify a date range for multiple billed Line Items containing unique POPs in this field. Example: The POP for Line Item 0001 is 10/01/20-10/31/20, and the POP for Line Item 0002 is 11/01/20-11/30/20. The contractor/vendor would enter a POP of 10/01/20-11/30/20 in this field. The specific Line Item POP information would then be entered into the "Description" field.

(h) Line Item data. The contractor/vendor shall ensure the Line Item data is entered in accordance with the terms of the contract.

(1) Agency Accounting Identifier (AAI). The contractor/vendor shall ensure the "AAI" field in WAWF matches the Line of Accounting information in the "Accounting and Appropriation" section of the contract (i.e., 056521 or 068732). This information ensures the transactions are properly routed through the official financial system.

(2) Contract Line Item Number/Subline Item Number (CLIN/SLIN). The contractor/vendor shall ensure the "Item No." in WAWF matches the "Item No." in the contract for each billed CLIN/SLIN.

(3) Standard Document Number (SDN). The contractor/vendor shall ensure the "SDN" in WAWF matches the Military Standard Requisitioning and Issue Procedures (MILSTRIP) number in the contract for each billed CLIN/SLIN.

(4) Accounting Classification Reference No. (ACRN). The contractor/vendor shall ensure the "ACRN" in WAWF matches the "ACRN" in the contract for each billed CLIN/SLIN. The ACRN amounts in WAWF should balance the Line Item total in WAWF.

(5) Quantity Shipped. The contractor/vendor shall ensure the "Qty. Shipped" in WAWF matches the quantity for each CLIN/SLIN invoiced.

(6) Unit of Measure. The contractor/vendor shall ensure the "Unit of Measure" in WAWF matches the "Unit" terms in the contract for each billed CLIN/SLIN.

a. Partial payment terminology must be included in the terms of the contract if billing outside of the "Unit of Measure". The inclusion of the payment clause in the contract allows the contractor to be paid for accepted partial deliveries of supplies or partial performance of services that comply with all applicable contract requirements. Example: The contract states the CLIN/SLIN is for "1

Job". Partial payment terminology is needed for the vendor to submit multiple invoices instead of submitting one invoice at the completion of the work.

(7) Unit Price. The contractor/vendor shall ensure the "Unit Price" in WAWF matches the "Unit Price" terms in the contract for each billed CLIN /SLIN.

(8) Unique Identifier (UID). The contractor /vendor shall ensure the UID information is entered in accordance with the terms of the contract if applicable.

(9) Description. The contractor/vendor shall provide a complete description for the material or services for each billed CLIN/SLIN (i.e., Rental for 09/01/21 through 09/30/21 for Dry Dock X).

(i) Freight. The contractor/vendor shall submit freight charges as CLIN 9999 in WAWF.

(1) Should freight charges exceed the documented amount within the contract, the contractor/vendor shall contact the Contract Administrator to request a modification prior to submitting the invoice in WAWF.

(2) Contractors/vendors will support the prepaid transportation freight charges with a copy of the carrier's receipted freight bill or evidence of receipt from the carrier if greater than \$100.00.

(3) If a receipted freight bill is not available, then the contractor/vendor can provide other support for the claim for reimbursement of freight charges. The contractor/vendor must furnish a copy of the transportation company's pickup record or a copy of the contractor's/vendor's internal business document showing the contractor/vendor turned the material over to a particular shipper. The contractor/vendor then must support either of these documents with a copy of the transportation company's invoice and a statement that the charges have been paid.

(j) WAWF attachments. The contractor/vendor shall attach the proof of shipment documentation in WAWF if applicable. This documentation will assist with "receipting" the material by the NNSY Receiving Department if needed.

(1) All material should be shipped to NNSY Building 276 unless otherwise stated in the contract.

(2) Provide a legible contract number or lead JML number on the outside of all shipped boxes and packing slips to ensure the NNSY Receiving Department is able to receipt the material properly.

(k) Contractor/Vendor Point of Contact (POC). The contractor/vendor shall provide the title and telephone number of the person to notify in the event the invoice is deemed improper.

(l) Invoice acceptance and certification. The contractor/vendor may check WAWF within 3-5 business day of notification of invoice certification for the scheduled electronic payment date.

(m) Invoice rejection. The contractor/vendor shall review the comments section in WAWF for the rejection justification. Ensure the invoice is resubmitted with a different letter at the end of the invoice (i.e., A, B, C, etc.) once corrections have been made.

(n) WAWF and NNSY Accounts Payable Branch POCs.

(1) The contractor/vendor may contact the WAWF Help Desk at 866-618-5988 for assistance with submitting the invoice(s) into WAWF.

The contractor/vendor may contact the NNSY Accounts Payable Branch at NNSY_C612@us.navy.mil or (757) 396-2636 for invoice questions or for invoice status if the invoice has not been certified for payment within 30 days of submission. The contractor/vendor shall provide the contract number and invoice number in the Subject line of the email correspondence.

DISPUTES - AGREEMENT TO USE ALTERNATIVE DISPUTE RESOLUTION (DEC 2016)

(a) The parties agree to negotiate with each other to try to resolve any disputes that may arise. If unassisted negotiations are unsuccessful, the parties will use alternative dispute resolution (ADR) techniques to try to resolve the dispute. Litigation will only be considered as a last resort when ADR is unsuccessful or has been documented by the party rejecting ADR to be inappropriate for resolving the dispute.

(b) Before either party determines ADR inappropriate, that party must discuss the use of ADR with the other party. The documentation rejecting ADR must be signed by an official authorized to bind the contractor (see FAR 52.233-1), or, for

the Agency, by the contracting officer, and approved at a level above the contracting officer after consultation with the ADR Specialist and legal counsel. Contractor personnel are also encouraged to include the ADR Specialist in their discussions with the contracting officer before determining ADR to be inappropriate.

(c) If you wish to opt out of this clause, check here []. Alternate wording may be negotiated with the contracting officer.

L31 Additive Manufacturing (JUN 2018)

(1) Additive manufacturing (AM) is a process of joining materials to make objects from three- dimensional (3D) model data, usually layer upon layer, as opposed to subtractive manufacturing methodologies, which remove material from areas where it is not desired, or other traditional manufacturing technologies, such as molding or stamping.

The Government will not evaluate offers that include an item or items produced using AM, and such offers are not eligible for award for the current procurement. A quoter/offeror proposing to supply an AM- produced item may submit a request to the contracting officer for approval of the item for evaluation by the Engineering Support Activity (ESA) for acceptability for future procurements of the same items.

PPIR

(a) The offeror's past performance shall be evaluated in accordance with FAR 13.106-2 or 15.305(a)(2), as applicable. This procurement is subject to Past Performance Information Retrieval System - Statistical Reporting (PPIRS-SR), authorized by the Department of Defense for use by participating activities during the acquisition of supplies and services.

(b) The purpose of the PPIRS-SR is to provide contracting personnel with quantifiable past performance information regarding delivery and quality, as collected from existing DoD reporting systems. PPIRS-SR uses the past performance data collected to classify each supplier's performance by Federal Supply Class(es) or Service Code(s).

(c) Quality: The method used in PPIRS-SR to classify the quality of a supplier's past performance is a comparison of quality records among all suppliers who have provided goods or services to the Federal Government which are categorized in the same Federal Supply Class or Service Class (FSC). Based on the comparison among suppliers in a specific FSC group, suppliers are classified by PPIRS-SR into a color rating that represents the supplier's overall quality performance for that specific Federal Supply Class or Service Class. The following is a summarization of the PPIRS-SR classification colors:

(1) Dark Blue: Top 5% of suppliers in FSC group*

(2) Purple: Next 10% of suppliers in FSC group*

(3) Green: Next 70% of suppliers in FSC group*

(4) Yellow: Next 10% of suppliers in FSC group*

(5) Red: Bottom 5% of suppliers in FSC group*

* If all supplier performance ratings for an entire FSC group are equal, all suppliers in that group will be classified Green.

(d) Delivery: Supplier delivery past performance is classified in PPIRS-SR by the supplier's percentage of on time deliveries. On time deliveries are calculated using the number of line items delivered and a weighting factor which reflects the length of time a delivery was overdue. (e) PPIRS-SR classifications are established monthly for each supplier and can be reviewed at <http://www.ppirs.gov/>. Suppliers are granted access to PPIRS-SR for their own classifications. Offerors are encouraged to review their own classifications as well as the PPIRS-SR reporting procedures and methodology detailed in the PPIRS-SR Procedures Manual and the PPIRS-SR User Guide available at <http://www.ppirs.gov>. The method to challenge a rating is also found on the identified website.

(f) Suppliers with no history in PPIRS-SR will be considered to have a neutral PPIRS-SR rating.

If an item part number is superseded during the term of this contract, the contractor shall advise the contracting officer immediately upon determination. L08 Use of Supplier Performance Risk System (SPRS) in Past Performance Evaluations (JUN 2020)

(1) The Government will use the Supplier Performance Risk System (SPRS) (<https://www.sprs.csd.disa.mil/>) (formerly Past Performance Information Retrieval System - Statistical Reporting (PPIRS-SR)) and may use other performance history to evaluate suppliers past performance.

(2) SPRS collects quality and delivery data on previously awarded contracts and orders from existing Department of Defense reporting systems to classify each supplier's performance history by Federal supply class (FSC) and product or service code (PSC). The SPRS application provides the contracting officer quantifiable past performance information regarding a supplier's quality and delivery performance for the FSC and PSC of the supplies the Government is purchasing.

(3) The contracting officer will use the quality and delivery classifications identified for a supplier in SPRS to evaluate a supplier's past performance in conjunction with the supplier's references (if requested). The Government will use this past performance information in accordance with the basis for award stated in the solicitation.

(4) SPRS generates classifications daily for each contractor. The SPRS Software User's Guide for Awardees/Contractors (https://www.sprs.csd.disa.mil/pdf/SPRS_Awardee.pdf) and the SPRS Government User Guide (https://www.sprs.csd.disa.mil/pdf/SPRS_Government.pdf) provide instructions for accessing SPRS classifications. Contractors have access to SPRS for their own classifications only. Suppliers are encouraged to review their own classifications; the SPRS reporting procedures and classification methodology detailed in the SPRS Software User's Guide for Awardees/Contractors (https://www.sprs.csd.disa.mil/pdf/SPRS_Awardee.pdf); and the SPRS Evaluation Criteria (https://www.sprs.csd.disa.mil/pdf/SPRS_DataEvaluationCriteria.pdf). The SPRS Software User's Guide for Awardees/Contractors (https://www.sprs.csd.disa.mil/pdf/SPRS_Awardee.pdf) provides the method to challenge a rating generated by SPRS.

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

The relative importance of the evaluation factors are in descending order:

1. Technical capability of the item offered must meet 100% of the Government requirement's ordering data specification
2. Price
3. Past performance; Supplier Performance Risk System (SPRS) will be reviewed to determine vendor responsibility

(b) *Options (if applicable)*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

(c) *Notice of award*. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689).* (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals-

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).* [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]

Listed End Product	Listed Countries of Origin
==	==
==	==

(2) *Certification.* [If the Contracting Officer has identified end products and countries of origin in paragraph (i)(1) of this provision, then the offeror must certify to either (i)(2)(i) or (i)(2)(ii) by checking the appropriate block.]

(i) ☐

(ii) ☐

(j) *Place of manufacture.* (Does not apply unless the solicitation is predominantly for the acquisition of manufactured end products.) For statistical purposes only, the offeror shall indicate whether the place of manufacture of the end products it expects to provide in response to this solicitation is predominantly-

(1) ☐ In the United States (Check this box if the total anticipated price of offered end products manufactured in the United States exceeds the total anticipated price of offered end products manufactured outside the United States); or

(2) ☐ Outside the United States.

(k) *Certificates regarding exemptions from the application of the Service Contract Labor Standards* (Certification by the offeror as to its compliance with respect to the contract also constitutes its certification as to compliance by its subcontractor if it subcontracts out the exempt services.) [The contracting officer is to check a box to indicate if paragraph (k)(1) or (k)(2) applies.]

(1) ☐ 22.1003-4(c)(1). The offeror ☐ does ☐ does not certify that-
