

Atch 8 - Instructions for Submitting a Small Business Subcontracting Plan

1. General Requirements:

- All large business offerors must submit a Small Business Subcontracting Plan.
- The plan should outline your strategy for utilizing small businesses in the performance of the contract.
-

2. Content of the Subcontracting Plan:

- **Goals:** State your percentage goals for subcontracting with small business (SB), veteran-owned small business (VOSB), service-disabled veteran-owned small business (SDVOSB), HUBZone small business, small disadvantaged business (SDB), and women-owned small business (WOSB) concerns. Include both the percentage of total subcontracting dollars and total contract dollars.
- **Total Dollars:** Provide the total dollars planned to be subcontracted and the total dollars planned to be subcontracted to each category of small business.
- **Supplies and Services:** Describe the principal types of supplies and services to be subcontracted and identify the types planned for subcontracting to each category of small business.
- **Methodology:** Explain the methods used to develop the subcontracting goals and to identify potential sources for solicitation purposes.
- **Indirect Costs:** State whether indirect costs were included in the subcontracting goals and describe the method used to determine the proportionate share of indirect costs to be incurred with each category of small business.

3. Format:

- Use the following table format to present the required information:

Small Business Category	Percentage of Total Subcontracting Dollars	Percentage of Total Contract Dollars	Total Dollars Planned
SB	%	%	\$
VOSB	%	%	\$
SDVOSB	%	%	\$
HUBZone	%	%	\$
SDB	%	%	\$
WOSB	%	%	\$

4. Submission:

- Submit the subcontracting plan as a separate document from the proposal.
- Ensure all socio-economic category submissions are SBA certified.
- Submit the plan via email to the contracting officer as specified in the solicitation.
