

SALIENT CHARACTERISTICS/STATEMENT OF WORK

Leica Absolute Tracker AT960-LR

Leica Absolute Tracker AT960-LR Long-range 6DoF laser tracker system based on Absolute Interferometer. Reflector measurement range up to 80 m, with probing range up to 20 m.

The system consists of:

- 6DoF laser tracker unit AT960-LR
- ISO 17025 Calibration Certificate based on ISO 10360-10
- MTC51 AT930/AT960/ATS600 Transport Container (576891)
- AT9x0 Controller (577431)
- MPS21 Power Supply Unit (576873)
- MCS11 Sensor Cable - 1.5 m (576885)
- MCA134 LAN-Cable RJ-45 Cat6 - 5 m (575899)
- AT Quick Release Mount incl. Mandrel (576338)
- MCA18 External Temperature Sensor - 2 m (576888)
- Red Ring Reflector - 1.5" (575784)
- MSI26 Universal Stand Fixture (576895)
- MAT33 Optical Cleaning Kit (576898)
- Protective Sensor Cover (827057)
- 24-month warranty*

*The 24-month factory warranty period is conditional on the performance of annual maintenance and recertification.

Leica T-Probe III

Leica T-Probe III Portable wireless probing system for AT960 systems. A light-weight measurement probe with

configurable function buttons allows measurements in small and large measurement volumes with minimal preparation time. The measurement range of the T-Probe is up to 30 meters in all directions.

The T-Probe configuration consists of:

- Wireless probing sensor T-Probe (576186) incl. certificate and transport case
- T-Probe Stylus Adaptor - M5 (576212)
- Ruby Ball Stylus d=6 mm –M5 (576221)
- 2x Stylus Tool for M5 Threaded Styli (576225)
- MAC34 T-Probe Stylus Compensation Tool (576899)
- T-Probe Battery Charger (734195)
- 2x T-Probe Spare Battery (575983)

T-Probe Styli Kit

Recommended styli kit for Leica T-Probe. The kit contains the following content:

- Scribe Stylus r=0.1 mm - M2 (576219)
- Ruby Ball Stylus d=3 mm - M5 (576220)
- Ruby Ball Stylus d=6 mm - M5 (576221)
- Ceramic Hemispherical Stylus d=0.5in, M5 (576143)
- Ceramic Hemispherical Stylus d=1.5in, M5 (576144)
- Stylus Extension 100 mm - M5 - carbon fibre - stem d=20 mm (576213)
- Stylus Extension 200 mm - M5 - carbon fibre - stem d=20 mm (576214)
- Stylus Extension 40 mm - M5 - carbon - stem d=11 mm (576217)
- 2x T-Probe Stylus Adaptor - M5 (576212)
- 2x Stylus Tool for M2-M3 Threaded Styli (576223)
- 2x Stylus Tool for M5 Threaded Styli (576225)
- Stylus Adaptor M5-M2 (576226)
- T-Probe Styli Kit Case for Standard Configuration (576211)

Drift Nest 1.5", Offset 1.0000", Aluminium

MAV72 Sensor Aperture

MAV72 Sensor Aperture Redirects air movements around sensor optics to improve measurement data quality.

Compatibility: AT960

MCS12 Sensor Cable - 10 m

10-metre cable for connecting AT Controller to AT930/960 or ATS Controller to ATS600.

Compatibility: AT930, AT960, ATS600

MST138 Portable Precision Carbon Tripod

Precision carbon tripod for Absolute Tracker AT930/960, ATS600 or Absolute Arm. The MST138 has the following features:

- Foldable tripod with carbon legs
- Height scale on center leg
- 3x integrated fixed positions for AT Controller/ATS Controller or external batteries MPB25/MPB100
- 3.5x8" thread to mount Absolute Tracker AT930/AT960, ATS600 or Absolute Arm RA7 and RA8 v1 and v2
- Adjustable height: 79 cm – 131 cm (31.1" – 51.6")
- Weight: 13.5 kg (29.8 lbs)

MAS141 Tripod Transportation Case

The MAS141 Tripod Transportation Case can hold:

- MST138 Portable Precision Carbon Tripod (577420)
- MST139 Portable Precision Aluminium Tripod (577421)
- Dimensions L= 98 cm, W= 41 cm, H= 33 cm ((L=38.6", W=16.1", H=13.0"))
- Empty weight: 9.5 kg (20.9 Lbs)

Cart is compatible with AT930/960, ATS800, ATS600 or AT500. Contains a flexible shelf system for installation controllers, UPS and computers. Controller and computer compartment is temperature regulated (built-in fan). Cart can be used like a regular measuring cart or reconfigured to a shuttle cart. Drawers equipped with preconfigured foam inlays for storing AT930/960, ATS800, ATS600 or AT500, scanners, reflectors and reflector supports, as well as Leica TProbe, styli and extensions. The main cart desktop can be extended with a foldable side-table.

The cart consists of:

- Measurement Cart with shelf compartment, drawers and lockable wheels
- 2x belt with snap hook and quick-connect buckle to fix tracker and/or stands on shuttle rail
- Power strip (Only for countries with 3-pole EU plugs)
- 5x drawer inlays
- Velcro straps for controller and computer fixation
- USB-fan with USB extension cable
- Mechanical interface for forklift manipulations
- Cable Drum
- Dimensions L=1.20 m, W=0.70 m, H=1.10 m.

Cart compartment and drawers are lockable with a key system (2 keys included).

Power Strip, 12 Outlet, 2 Port USB, Portable

Power Strip, 12 Outlet, 2 Port USB, Portable

Premium Laptop - without Camera Bluetooth and WiFi

DOCKING STATION, DUAL USB-C

COMBO, WIRED KEYBOARD AND MOUSE

MONITOR, CURVED, USB-C HUB, 34-INCH

Verisurf METROLOGY ENTERPRISE SUITE

VERISURF METROLOGY ENTERPRISE SUITE includes a perpetual license of CAD, MEASURE, BUILD, ANALYSIS,

REVERSE AND AUTOMATE software modules with Standard Software License Control and 1 year of maintenance with software updates and technical support.

Verisurf USB Option

Upgrades Standard Software License control to Physical USB Hardware License control. Available only for Verisurf 2020 or later. Price is per license.

Verisurf 3-Day On-Site Training

Consecutive 3 day custom training onsite at customer's facility in North America. Price is per group, up to a maximum of 4 students. Daily training is not to exceed 8 hours per day. Includes instructor's travel costs.

MS Office Home and Business

Application Engineering Support - Tracker

Hardware Installation - Tracker - per hour

- Installation, Setup and Familiarization of Tracker.
- Services are subject to expire 30 days after the system has been delivered.

MyCare Premium 1st Year - US

MyCare Subscription offerings are designed to provide the most comprehensive, worry free system support via a single point of contact to minimize management of keeping your system in optimal condition and tailored to highly demanding production needs. It also includes troubleshooting support to keep your portable system up and running at all costs. The **1st Year of MyCare Premium** is included with the purchase of this new system.

MyCare Premium covers your 1st annual preventative maintenance and recertification.

MyCare Premium clients have an exclusive 3-Day MyCare Turnaround
