

Instructions, Conditions, & Notices to Offerors or Quoters

Proposal Submission Instructions

The Contractor shall submit a written price and technical proposal for consideration before the due date and time specified in this solicitation. The proposal shall include the following:

(1) **Cover Letter:** The cover letter shall provide the following information:

- a. Contractor Name
- b. Small Business Status/Categories (as appropriate)
- c. Company Point of Contact (with email, phone, and facsimile number)
- d. CAGE Code
- e. UEI number
- f. A statement that your company understands the requirements specified in the Statement of Work (SOW)
- g. A statement that your company does not take exception to any of the requirements of the SOW or the terms and conditions of this solicitation.

(2) **Price Proposal:** Contractors must submit pricing in accordance with the Contract Line Items (CLINS) specified in the Supplies or Services & Prices or Costs section of the solicitation beginning on page 3 of the SF1449.

(3) **Technical Proposal:** The technical proposal shall address the factors described at “Evaluation Factors” in Evaluation Factors for Award section of the Solicitation.

Technical Proposal shall be Limited to 5 Pages (not including cover letter and price proposal). Pages in excess of 5 will not be reviewed.

Any questions regarding this solicitation must be submitted in writing via email to the points of contact listed above no later than 3 calendar days before the closing date. All questions and the Government's official answers will be

posted publicly via an amendment to the solicitation on SAM.gov. Questions submitted after this deadline may not be answered.
