

SPECIFICATIONS

Requested Equipment – Work Stations - Microbiology

Purpose of Request:

Due to the removal of asbestos & old granite countertops, tables, & shelving that were contaminated, Microbiology needs new workstations & shelving. Currently, old tables & other pieces of furniture from Warehouse are being utilized which are all different sizes & inefficient. Workstations must be ergonomically well-designed & resistant to fungi, viruses, bacteria, chemicals & easy to clean to ensure safety & preventing contamination of hazardous materials when staff are performing their tasks.

Minimum Product Requirements:

Room #1 - Workstations:

- L-Shaped Worktable, 72" L (West) x 56" L (North) x 26" D x 41" H - steel & lower shelf for storage
Slide-out keyboard tray
Locking casters with 9" of clear height from the floor to the bottom frame
- Worktable, 60" L x 26" D x 41" H (fixed height) - steel & lower shelf for storage
Slide-out keyboard tray
Locking casters with 9" of clear height from the floor to the bottom frame
- Worktable, 66" L x 26" D x 41" H (fixed height) - steel & lower shelf for storage
Slide-out keyboard tray
Locking casters with 9" of clear height from the floor to the bottom frame
- All workstations include an edge-banded high-pressure laminate work surface (1.5" H)
- One (1) - 3-tier stainless steel rolling cart, 16-3/4" D x 30" L x 32" H. - 1" H lip on all sides, push handle, 500 lbs. capacity overall, & 4" H swivel casters

Room #1 - Wall-Mounted Shelving:

- Wall-mounted painted steel shelving provided above all (3) Worktables, 14" D x 36" H (wall strips)
See attached drawings for the wall-mounted shelving design
- All shelves can be positioned flat or angled
- All shelves are adjustable

Room #2 – Workstations:

- Section of fixed casework with a stainless steel work surface, 67-1/2" L x 24" D
30" W sink base cabinet with double-hinged doors
16" x 12" x 8" sink and outlet center drain
- The cost assumes using the existing faucet (installed by a plumbing contractor)
- 36" W x 18" D flammable storage cabinet with (1) adjustable shelf
- Workstation, 20" L x 24" D x 36" H (fixed height)

- Half-depth steel lower shelf for storage (allows 22" H clear below for trash can storage)
- Locking casters with 9" of clear height from the floor to the bottom frame
- Workstation, 72" L x 24" D x 36" H (fixed height)
 - Half-depth steel lower shelf for storage
 - Locking casters with 9" of clear height from the floor to the bottom frame
 - Slide-out keyboard tray
- Analyzer Workstation, 24" L x 24" D x 49" H (fixed height)
 - Slide-out keyboard tray
 - (2) Full-depth steel lower shelves for storage
 - Shelf level # 1 is for printer storage
 - Shelf level # 2 is for additional storage
 - Locking casters
- All workstations include an edge-banded high-pressure laminate work surface (1.5" H)
- One (1) - 3-tier stainless steel rolling cart, 19" D x 33" L x 32" H, 1" H lip on all sides, push handle, 500 lbs. capacity overall, & 4" H swivel casters

Room #3 – Workstations:

- Two (2) Microscope Worktables, 70" L x 36" D x 41" H (fixed height)
 - Full-depth steel lower shelf for storage under each table
 - Locking casters with 9" of clear height from the floor to the bottom frame
 - Stainless steel work surface
- Analyzer Worktable, 21" L x 22" D x 35" H
 - Full-depth steel shelves
 - Locking casters
 - An edge-banded high-pressure laminate work surface (1.5" H)

Room #3 Wall-Mounted Shelving:

- Wall-mounted steel shelving provided above both Workstations, 14" D x 36" H (wall strips)
 - See attached drawings for the wall-mounted shelving design
- All shelves can be positioned flat or angled
- All shelves are adjustable

Room #4 Workstations:

- Workstation, 72" L x 30" D x 41" H (fixed height)
 - Half-depth steel lower shelf for CPU tower placement and storage
 - Slide-out keyboard tray
 - Locking casters
- Analyzer Worktable, 32" W x 36" D x 41" H
 - Half-depth steel lower shelf for storage
 - Slide-out keyboard tray
 - Locking casters

Room #4 Wall-Mounted Shelving:

- Wall-mounted painted steel shelving provided above both Workstations, 14" D x 36" H (wall strips)
 - See attached drawings for the wall-mounted shelving design
- All shelves can be positioned flat or angled
- All shelves are adjustable
