

Solicitation for Leadership Hiring Assessment: 15BNAS25Q00000044

Questions and Answers

1. For the 90 candidate interviews, what is the expected duration per interview (1 hour, 2 hours, etc.)? **1-1.5 hours**
2. How many contractor personnel are expected to participate in each interview panel? Is it one consultant per panel or multiple? **Minimum of 1**
3. Will candidates be interviewed from various BOP facilities nationwide, or will all interviews be centralized? **A combination of centralized and virtual. It is to be assumed that if they are not in the local commuting area of Washington, DC, then it will be virtual.**
4. Given the 3-month performance period (Aug 1 - Oct 31), what is the expected interview schedule? Will all 90 interviews occur within a specific timeframe? **This will be an estimated one-year contract. The timeframe will be at the discretion of the COR during the length of the contract.**
5. For the "training 2-hour delivery session" (Item 003), how many BOP staff will attend? Is this one session or multiple sessions for different groups? **Multiple sessions with approximately 110 individuals.**
6. What is the expected timeline for completing background investigations? Can work begin with interim clearances? **Based on the anticipated location, Washington DC, Central Office, clearances may be expeditiously waived and/or interim clearances.**
7. What specific DOJ/BOP IT systems will contractor personnel need to access candidate records and assessment documentation? **It is anticipated that the contractor will not need any GFP. The contractor will be able to utilize their own IT equipment. If GFP is necessary, then the contractor shall have basic security and records management training.**
8. Section 9.0 mentions potential access to "interview platforms, candidate records, and secure facilities." Can you specify what will be government-furnished vs. contractor-furnished? **It is anticipated that the contractor will not need any GFP. The contractor will be able to utilize their own IT equipment. If GFP is necessary, then the contractor shall have basic security and records management training.**

9. Item 001 mentions "Alternative (In-Person Interviews): To be priced per candidate." Should we provide both virtual and in-person pricing options? **Yes, include both per line item 001.**

10. When does the DOJ anticipate making an award? This is a BOP solicitation and not a DOJ. **The anticipated award is on or after 8/18/2025.**

11. What is the anticipated start date for this effort? **From date of award.**

12. Will the selected vendor have access to policies, templates, and questions currently used in the current hiring process? And if so, what format will these be provided in? **It is anticipated that the BOP will provide these documents in Word, PDF, or Excel format.**

13. Will contractor personnel require any special clearances? If so, what is the expected timeline for onboarding these checks? **Based on the anticipated location, Washington DC, Central Office, clearances may be expeditiously waived and/or interim clearances.**

14. Please confirm whether or not the Records Management Training will be conducted virtually or in person? And how long is the duration of this training? **It is anticipated that this will be available as a PDF document review.**

15. Could you provide clarity on what criteria will be used to evaluate submissions?

It is the offeror's responsibility to clearly demonstrate their submission meets the Technical Requirements/Statement of Work. The offeror shall clearly address each area of the Statement of Work.

Proposals will be evaluated using the following criteria:

- **Technical Acceptable/ Unacceptable**
- **Cost Lowest Overall Price**
- **Past Performance will be evaluated as it relates to Responsibility.**

C. Evaluation Process

- **Technical - The technical proposal will be evaluated by the Source Selection Evaluation Team in accordance with FAR 15.101-2. The offeror's response will be evaluated on an acceptable / unacceptable basis. The proposals will be evaluated for acceptability but will not be ranked using non-cost/price factors.**
- **Past Performance - Past performance will be evaluated by the Contracting Officer only as it relates to Responsibility. It will be rated acceptable/unacceptable**

based on the offeror's performance of services like this requirement but will not be ranked using non-cost/price factors. An offeror without past performance is considered Neutral and will receive an acceptable rating.

- **Price** - For evaluation purposes, price is defined as the offeror's proposed price. The Contracting Officer will evaluate price independently. The prices proposed will be evaluated in the base period and option periods in total. The award will be based on the lowest price technically acceptable (LPTA) proposal.

16. What is the geographic radius of the wardens being interviewed? **Nationally**

17. How often will the vendor need to provide an in-person presence? **This will vary depending on the interviewee's location. It is anticipated that most if not all may be virtual.**

18. What cadence will the selected vendor be allowed to submit invoices? What, if any, supporting details are needed along with the submitted invoices? **This will be clear at the time of the award and will be found in the award document. Invoices will be verified by the COR for accuracy. Invoices will be submitted by the contract and have further details on what is required.**
